**The Universal Hinge Mount Safety Gate**

This series of FabEnCo Safety Gates is available in carbon steel and stainless steel for special applications/environments. FabEnCoat™ finishes include galvanized and environmentally-friendly safety yellow powder coated. Requires a striking post to close.

**Easy to Install • Stainless Steel Springs**

Fits various railing sizes and shapes

6” lateral adjustment • Mounts Left or Right

---

**Determining the proper gate size for your application only requires the measurement of the inside clear opening.**
